

LIBer

KALi

protective, nurturing mother

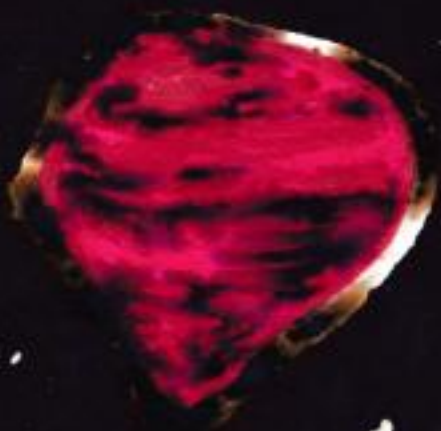

I don't know how

I will survive

Can you tell me

who I am?

terrestrial life

as we know it

is

an irresistibly sweet commodity

with a cruel streak

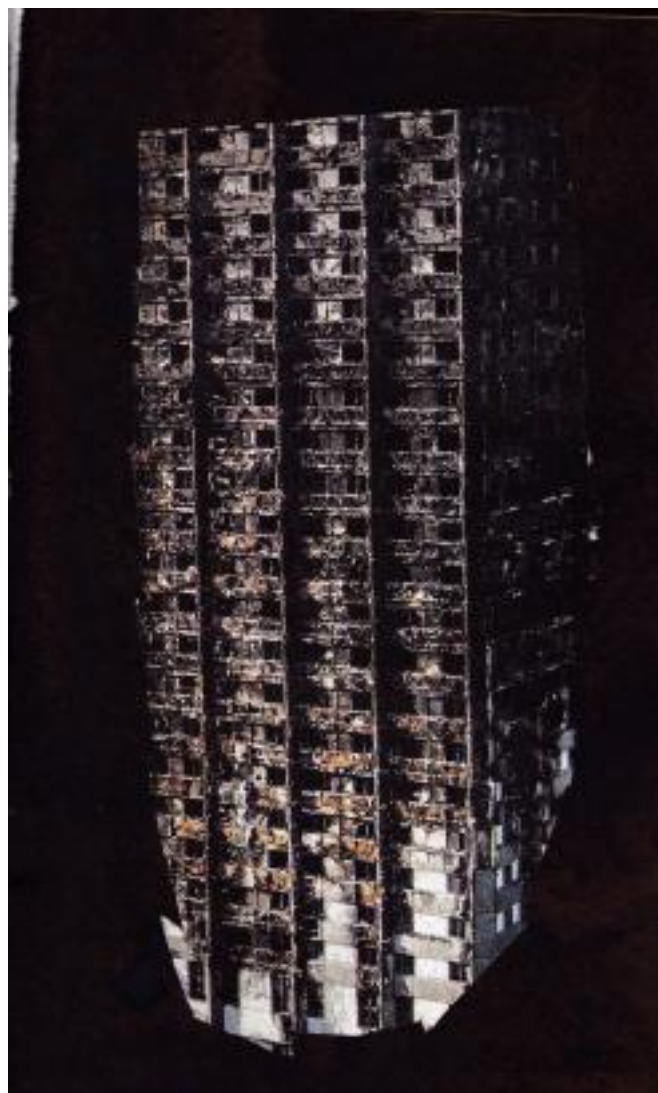

Life is too short

to let

a characterless

concrete desert

do for us

Dad says he is sick and that what I'm

looking for IS RUINING LIFE

I

felt liberated to be wandering with him

if he was not

devilishly clever

HIS BOOZING

MOTHER

had cast

further doubt

Queen of Night

Go on,

surprise me

I have no

joy in my

life

OUT FOR 19 YEARS

I had to
control or shut off

beasts so huge they were mistaken
for islands

hope

has been

buried under

future healthy functioning

of our society.

but

Escaping the mess

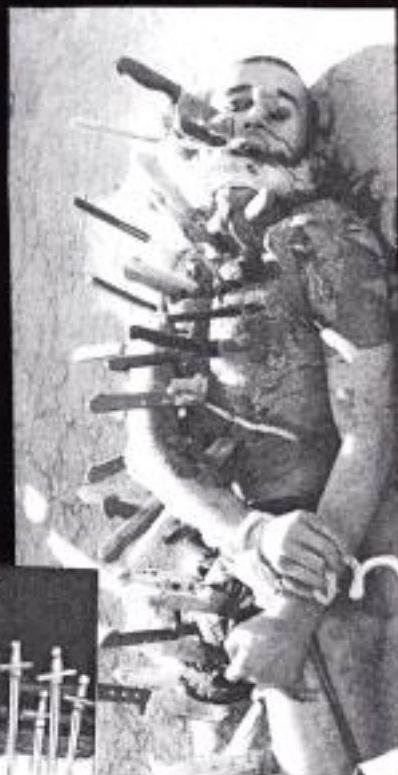

can boost our

organismically motivated

and professional development

SERIOUS
BREACHES

can yield some genuine insights

instinctively and

exquisitely lead

the fight

experiencing 'extremes of
physical pleasure'

"This is the moment

that every young

kid dreams of'

Psychosexual

expressions of thwarted potential

GLOW IN THE DARK

IF YOU

LOSE

Reunion

BEYOND THE BINARY

is

an 'easy decision'

ejaculation statistics

capture

the magic of the author's

immense size and

power

but I feel

suffocated

I don't want to leave my

CRAPPY CHARMS

and am having an affair

It's not romantic at all:

in death she's

changed

without me realising

an exasperating

dismissal

WHY DO MEN BECOME

TIME WASTERS ?

FURY

- this is

a precious resource,

not

Binge drinking and bad sex

The history of the world is shaped

by **The Unwomanly Face of War** **ON** **Tory bigwigs**

THE FIRST CASUALTY

has a curious history

He found folly funny

making a

sluggish start

after showing his

kaleidoscope of

waving banners

and eye rolls and meanness

but Mum

was the inspiration

for her own

flying saucer legend

Shadow playing

The significance
of the number 23 and

At least 24
meteorites that

may have wreaked havoc

TALK TO THE VICAR

it is hard to resist his charm

IN HIS FORTRESS OF ARROGANCE, DEEP BELOW

Melting glaciers

determined to

Discover
somewhere

Lucifer blasts Europe

It's not cool, but

Celebrities tell us their

dozens of blissfully unspoilt prehistoric battles

and beliefs create new memories

HOMING IN ON FUTURE History

did the
Vikings ever

shake up
the Black Arts?

A person brought

forward in time

very good spirits

by walking the earthworks

the reason I exist

**I became
conscious
of the
incessant
calling
of rooks.**

Blood of the dead

in the debris

the shadow cast over their

feelings and experiences

a tantalising fragment

**the waiting
is horrible**

a normal woman in a
bikini

activist, recluse, environmentalist

**Pouring
herself
into**

The underlying understanding of what people want

is a wonderful canvas for many

Strange deaths

bring up the bodies

of

Ill-informed leaders

Hapless, hopeful men

whose death was

by meat fat,

and

thigh injury

Beyond the
adoration,

the negative press has intensified

Everyone expected her to die

giving her the building
to do her own thing

with a suitably celebratory take

on drugs

mental ill health

and the friction of daily life.

Think you know what a street
candidate can stick in the mind ?

A rich and strange meditation that

doesn't give you the answers

made from
mouse
whiskers

an exquisite retelling of

the most of your calling

to ludicrous attempts to anoint

An astonishing object

failing in its basic task of nourishing us

Escaping from myself has been

my aim as a more explosive

means to be

human

I won't finish it

before I'm 105

Nothing makes me smile
more broadly than when

the social-media generation

have questioned the truth of this

Far easier to talk about

A productive gap year or

Historical myopia **than**

The Great House

that was built on the bones of dead

the other one

often many, never none

I'm known to be accommodating

and

engage them in chats,

banter and eye contact

but

'We're all idiots when

trivialisation of the lessons of

life is sweet

There is darkness in
the soul of the

throwing her children out
that might be

Why the ideal of 'true love'
should be abandoned

Fat mum

When she was turned down by

The kind stranger

and his guinea pig Spike

with the ease and knowledge of a well-connected

male outsider

His only vice was
serial matrimony

You might be upset when

this blizzard of

disappointment and panic take over.

You join the crowd,

run businesses and commit murders

Not a sly eroticist after all

but

a troubled figure

who needs a rethink

Give your brain a rest, says

Trump and Kim Jong-un

There's more to life than

Creating the next generation

normal births

abound in

Seeking out a silver lining

Everyone thought they were here

being the bargain basement

whatever they called it

Bowie's life is surprisingly

flaming

brilliant

for getting a feel for your

chance to rebuild

retreat from reality

we have been fed

20 YEARS OF
PLACEBO

and it's going

to get worse

champions have joined forces

to bring

The best weapons

to carve out an impressive

secret doorway.

They came from

every corner of

the best-kept secret

avoid the short
straw

resist the urge

but

hit back in

love on

what life has thrown up

**AS A FREE
BET**

one crisis that stands out above all others:

To lose love is terrible

warned of
'miserable end'

couples start out on a high

magnets in their heads

becoming jealous and resentful

with minimal fuss

no love lost between

any actual person.

I was warned of the

Sex festival in

Tunbridge Wells

and all its edible spoils, not least the buxom

feminist side

McDonald's staff

transgender people

and spectators roam

in search of world renown

a man

only came in peach

an explosion

I do not feel I want

The circle casts such
a spell that you are
mostly happy to

Seek out your new

'underwater cathedral'

even though it

doesn't look it

sex as

A spoonful of chocolate mousse is an

enchanting city

A wise investment

of time

that deserves heaps of praise

Experts raise alarm over ethics of **the late princess**

who forced black man into coffin

showering him in sewage

AND only rewarded the brightest

ZERO WASTERS

to keep

women safe

surrounded by
chaos. He had no

Soft, tensile

life worth living

or the chance to reject the present

and his probing of the nature

of reality

my ankle snapped. The sky darkened.

The natural home

smelt of blood, humanity & gas

of incense and cats

and there were strange noises coming

through the walls

guilty of 'magical thinking'

the last person

UNABLE TO SAY NO

BROKEN, FARTED

and forthwith came

there out

the watery blackness of

the unfolding chaos

that final
feeling'

will be remembered for its

wizardry to dethrone

the miserable
parts of my brain
